

The Employer Football Tournament

For the third time egabi Solutions participated in the Employer 7th Football Tournament as an associate sponsor during Ramadan 2013 egabi honorably participated with one team that involves 10 egabians. The tournament lasted for three weeks endorsing a fair competition among 52 teams from different industries in the Egyptian Market concluded by a ceremony announcing the winner and promoting all the sponsors. We would like to thank our team players for an outstanding performance

Partnering for Africa – Oracle, Kenya

egabi was invited to attend Oracle Partner Executive Forum Partnering for Africa. The event's main aim was to focus on the impact of the cloud and Software as a service across the African Market. The event was attended by Oracle Top Sales Executives discussing future business opportunities in the African Market. Hisham Sanad, CEO and Ali Badr, Sales & Business Development Manager – Africa. Presented egabi at the event

MCIT Scholarship

As an initiative to overcome the gap between Education and Workplace, and for the fourth year MCIT launched scholarship aiming to train and certify more than 4,000 university fresh graduates focusing on ICT and Management Techniques throughout a period of six months. egabi Learn was fairly granted to provide a fair share of courses and trainings. egabi Learn 's share in the scholarship is to deliver 6 Oracle Technical Specializations and 4 Management Tracks for more than 500 Students.

Sales Growth Award

egabi Learn was one of six training providers to receive Oracle Sales Growth award in an attempt to appreciate their remarkable effort. This Sales Growth award is granted for the training providers who regardless of the current market instability have managed to grow their sales in the FY 2013.

With a huge success, egabi Saudi extended its customer base within financial services sector after being awarded several projects: Oracle Hyperion Planning and Budgeting, Oracle Common Staging Area, Oracle HRMS advanced Modules. All these projects among 3 of the major, biggest banks in KSA"
